Education/Experience

I'm a graduate of Manheim Central High School ('96) and a mother to MCSD students. I've worked in local business for the past 10 years, and I'm currently a licensed real estate agent for Coldwell Banker Realty.

Reason for Serving & Educational Philosophy

Education allows us to be informed and engaged in our community and the world. Our amazing educators teach us so many things that stay with us for our entire lives, like how to think and how to problem solve, how to work hard and how to show respect to others. Education is such a gift. I am passionate about our amazing Manheim Central community, and I am eager to serve our administration and teachers, students and families.
