

Mrs. Rebecca Glass

Manheim Central School District Resident

4 Years

Education/Experience

- Master of Health Administration, BS Education major in Rehabilitation Services—Penn State University
- Licensed Nursing Home and Personal Care Administrator
- Certified Nursing Assistant
- Director of Care Services, Homestead Village

Reason for Serving & Educational Philosophy

- As a mother of 4 young children, taxpayer, and healthcare professional, I believe that our children need leadership in education, which puts their current and future best interests at the forefront of decision-making, ahead of personal or political bias. Children are the heart of our community, so their engagement and success is critical to our future.

School Board Committee Membership

- IU13 Board Member
