

# Manheim Central Elementary

## PreK-4 Learning Resource

### Guide

Manheim Central School District remains committed to providing resources for our learners during the time that school is suspended. This booklet is not a continuation of our educational program and is not intended to replace the regular instructional day. This work will not be collected or graded by teacher(s). As such, the District has developed this booklet of educational resources to support learners during the closing of schools. These resources are provided to offer a continuation of learning in many content areas. Our hope is that these resources will provide you with learning options during the time of school closure.

# Important information on Accessing Clever and Khan Academy on Manheim Central ipads

## CLEVER Parent Instructions:

1. Click on Clever
2. Click on Login with Active Directory
3. Type in your Child's Username **@manheimcentral.ORG**
4. Then type in your Child's Password
5. Username and Password found on the back of iPad

## Khan Academy for Kids App Parent Instructions:

1. Click on the App
2. Type in your email that you check regularly
3. Go to your email and verify your email when you get the Khan Academy email
4. Go back to the app and it will let you access all the features. Put your child's name in and age and it will create a dashboard for them.

## Free internet access offer

Comcast is offering their Internet Essentials to new customers for FREE starting on March 16. This basic connection allows internet access for families on public assistance programs, including Free & Reduced Lunch. Current Internet Essentials customers will have their speeds increased for a limited time automatically. For information and to sign up please visit <https://www.internetessentials.com/>
